RE: **ADMINISTRATIVE CLOSURE - IN THE MATTER OF THE APPLICATION OF
DIABLO VILLAGE WATER COMPANY FOR A RATE INCREASE.**
(DOCKET NO. W-02309A-07-0399)

On July 2, 2007, Diablo Village Water Company ("DVWC" or "Company") filed an application with the Arizona Corporation Commission ("Commission") for approval of a rate increase. Per Procedural Order on March 3, 2009, this application was being held pending approval of the sale of assets case filed on March 2, 2009.

On October 6, 2009, the Commission issued Decision No. 71290 which granted the application of DVWC to sell its assets to the Metropolitan Domestic Water Improvement District and to cancel its Certificate of Convenience and Necessity ("CC&N").

On January 29, 2010, the Attorney for DVWC filed the closing documents with the compliance section pursuant to Decision No. 71290.

Since the sale of assets is final and the CC&N for DVWC is cancelled, Staff requests that the rate case application, Docket No. W-02309A-07-0399 and all other open dockets for DVWC be administratively closed.
